Enclosed is a pre-paid Royal Mail return envelope for you to send any unused trial medication back to us. You do not need to pay for this. Once you have placed the unused trial medication in the envelope and securely sealed it, please take this to a post office and obtain and retain proof of postage of the tracking information. If the post office declines to take it, please try another post office or contact us for further advice. If you are isolating this can be taken by someone else on your behalf, or you can wait until your isolation period ends.

Please state the number of tablets being returned

If you no longer have the trial medication, please tick one of the following options and return this slip of paper using the pre-paid envelope provided:

I have disposed of the medication

I finished the course

Other (please specify):

Thank you for taking part in the PANORAMIC study. If you have any questions please do not hesitate to get in touch.

Kind regards,
