PANORAMIC FORTNIGHTLY NEWSLETTER - ISSUE No.7, 16 January 2023

★ Join Us for 2023 ★

We would like to invite sites to join/re-join **PANORAMIC**, one of the **largest** and **fastest recruiting trials** in Primary Care and help to build up your **research profile**.  
We know it is a very busy time for GP practices and **we really appreciate your support**.  
**Thank you.**

**PANORAMIC has recruited  
26,822  
participants**

Safety Calls

Everyone needs to ensure **all safety call attempts** are made on the **required day**. Please also complete the CRF with call attempts or data from the participant **at the time you make the call**.

Activating Database Log In

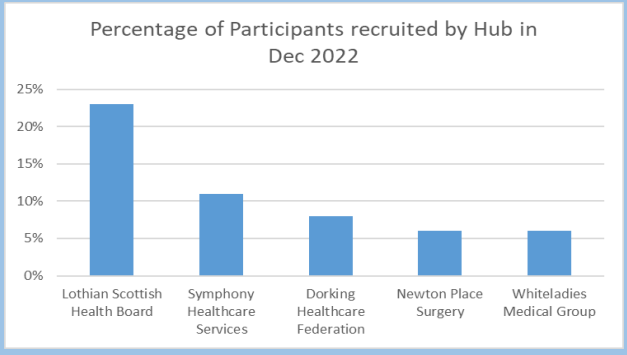

When you **receive login details** to access the trial's **Spinnaker** database, please **activate your account within the time specified**.  
If the login is not activated within the specified timeframe, Spinnaker access will **not** be possible, and the Oxford Central team will need to be contacted (**Monday to Friday**).

**HAPPY  
NEW  
YEAR!**

New Hubs

We are looking forward to greenlighting and welcoming **Public Health Wales** and **James Alexander Family Practice** in the coming weeks.

Top Recruiters for December 2022

PAXLOVID Top Recruiters for 2022

- One Norwich PCN
- Symphony Healthcare Service
- Banbury Cross Health Centre

Well done to our top Paxlovid recruiters for **2022** and a big thank you from the team.

Confidential Information

The **PANORAMIC** team can access electronic participant consent forms directly on Spinnaker. We **do not** typically need participating sites to send us copies of consent forms, or copies of medical records, when we request follow-up data via our GP letters.  
**Please do not send consent forms nor confidential medical records unless specifically requested.**

Updates and Upcoming Events

- **SA06 has been approved** and disseminated. Please keep an eye out for information about the Amendment and please **make sure you file in the relevant section of your ISF**.
- Reminder to please let the **Central team** in Oxford know when someone from your hub **no longer requires Spinnaker access**.
