ISSUE NO. 23 04/12/2023 panoramic@phc.ox.ac.uk 0808 156 0017 www.panoramictrial.org

## PANORAMIC Hits 2-year Anniversary!

- PANORAMIC hits TWO years since the first randomisation on 8th of December 2021!
- Thank you to The Middlewood Partnership who have been taking part since Day 1.
- Highest recruiting month so far for the Paxlovid intervention: September 2023 - 410 randomisations.
- Look out for our anniversary article which we'll be circulating soon!

Thank you!

PANORAMIC has now recruited

# 28,653

participants

## PANORAMIC Closure Dates

Recruitment will be closed on the following dates:

- 14th - 15th December
- 20th - 26th December
- 28th December
- 1st January 2024

Please refer to the email circulated on 30th November for more details.

The trial management team will be contactable on 27th-29th December.

## IMP Delivery

Please remind participants to make sure they, or a fellow resident, are at home to receive their IMP delivery. Royal Mail should deliver by 1pm the day after randomisation.

## Christmas Cracker!

We want to hear your best Christmas joke!

Email it to the main PANO inbox by 15th of December and the team will select their favourite and send a chocolatey prize to the winner!

## Hub Communications

- The PANORAMIC promotional video has been circulated as a .MPV file which will make it easier to add to your waiting room TV displays.
- The central team has sent out NIHR posters to all sites covering the Molnupiravir results. Please display these where relevant.

## Reminders

- Please ensure you add a stop date to your Delegation Log for any leavers and provide the central team with a copy of the Log.
- Issue 24 of the PANORAMIC newsletter will be released slightly later next month on Friday 12th January 2024.
