

## **PANORAMIC TRIAL: PARTICIPANT TEXT MESSAGE INVITATIONS**

### **Text message from recruiting GP Practices**

This is a message from Dr **XX** at **XX** Medical Practice. If you have had a **positive test** for COVID-19 and you are unwell with symptoms, which **started in the last 5 days**, you may be eligible to join a clinical trial: [www.panoramictrial.org](http://www.panoramictrial.org) to find out more or call the Trial Team: 08081 560017

### **Text message from South Central Ambulance Service**

The COVID 111 NHS service received your referral, and a clinician will contact you directly. Please consider joining the nationwide clinical trial to find COVID-19 treatments [www.panoramictrial.org](http://www.panoramictrial.org). The NHS 111 service cannot provide further information, but you can call the PANORAMIC Trial team if you have any questions or cannot access online systems: 08081 560017. Thank you.

### **Text message from National NHS 111**

This is a message from the NHS 111 service on behalf of the PANORAMIC clinical trial team in relation to the COVID-19 outbreak. The symptoms you have described suggest you may be able to join the trial which is testing possible antiviral treatments. If you would like further information about the PANORAMIC Trial, please click here [www.panoramictrial.org](http://www.panoramictrial.org). Please call the Trial Team if you have any questions or cannot access online systems: 08081 560017. The 111 service has no further information regarding this trial.
