Become a hero from home and join the search for COVID-19 treatments.

COVID-19 has affected the lives of everybody. Finding safe and effective treatments that can help people recover at home has been the drive of researchers at the University of Oxford and right now, you have an opportunity to help.

We are looking for people with COVID-19 to take part in a UK-wide COVID-19 treatment trial called PANORAMIC.

To be eligible, you will need to be aged 50 years or over, or 18 years or over with an underlying health condition. You also need to have had a positive COVID-19 test result and be experiencing COVID-19 symptoms which started within the last 5 days.

Taking part is easy. The trial can be joined online or over the phone from your sofa, with a participant pack couriered directly to you at home. You will receive a symptom diary, and you may receive a treatment to take in the comfort of your own home.

Join the PANORAMIC trial's heroic volunteers in the search for COVID-19 treatments by visiting PANORAMIC [www.panoramictrial.org](http://www.panoramictrial.org). 08081 560017

The PANORAMIC trial is funded by the **National Institute for Health Research** as part of the UK Government's rapid response fund.
